

Division 10 Research Micro Grants

DIVISION 10

Notification of Open Applications Academic Year 2020-2021

The **Division 10 Executive Committee** is pleased to initiate a **Micro Grant** program to support one-year research projects at a level of \$12,000 in AY 2020-2021, from which seed grants will be awarded in amounts up to **\$3,000**. The number of grants funded, and the size of the awards, will depend on the budgetary requests of successful applications. All proposals must have Division 10 members as PI but they can be any type of member: student, faculty, researcher, practitioner. Only 1 proposal per each Division 10 member PI will be accepted each year. Applicants must demonstrate that the proposed projects are germane to the current mission of the Division, contributing to publication in discipline appropriate journals and/or books. Funds may be used for the following:

- Software and research equipment
- student research assistant time
- travel to research sites
- transcription
- traveling to conferences
- study participant costs
- artistic or classroom materials used for studies/experiments (not just as classroom materials)
- funds may not be used for direct effort of PI/faculty

Submission Requirements

1. **Project Personnel** (1 - 2 pages)
 - a. Name, affiliation and project role of each PI and/or Co PI
 - i. PI must be Division 10 Member, but the Co PI does not need to be a Div 10 Member
